NORTHPOINTE AT VISTANCIA—ELEVATED DESERT LIVING AND OUTDOOR ADVENTURE

Peoria, Ariz. – Spanning 3,450 acres, Northpointe at Vistancia is the fourth and final lifestyle community within the 7,100-acre master plan of Vistancia. Northpointe at Vistancia is situated among the most elevated and mountainous land area with the Vistancia community, and is prominently nestled between the White Peak and Twin Buttes mountains. The community’s design is aimed to showcase and embrace its epic panoramic views, serene desert surroundings, dark skies, and natural outdoor recreation experiences.

With approximately 1,000 acres of mountain preserve, Northpointe at Vistancia offers a sense of adventure unique in its beauty, diversity, and design. The elevated desert living environment, community lifestyle, and serenity with miles of open space away from the city, connects residents to nature and offers ample opportunities to enjoy the breathtakingly beautiful desert sanctuary.

Northpointe at Vistancia residents have access to Vistancia’s signature outdoor amenity, The Discovery Trail, a 3.5-mile linear trail linking Vistancia neighborhoods, schools, community recreational facilities, and parks. It is envisioned the City of Peoria will activate additional city parks and a multi-use trail system around the mountain areas surrounding the community. Planned to include up to 3,200 homes, Northpointe at Vistancia’s introductory phase includes 437 thoughtfully crafted homes offering a diverse range of home styles and sizes by three

premier builders – David Weekley Homes, Pulte Homes and Richmond American Homes. Homes are anticipated to start in the low \$400's ranging in size from 1,790 to 3,297 square feet.

Planned to be completed in 2021, Northpointe at Vistancia residents will have access to a 10-acre amenity site including The Sovita Club, a 5,300-square-foot resort-style recreation center. The Sovita Club and surrounding amenity area is set in the heart of the first phase of the community, and located at one of the highest points of the property to take advantage of stunning views to the south. The clubhouse is envisioned to serve as a focal point and hub for resident recreation and activities. Indoor features are planned to include gathering spaces for resident events and meetings, a catering kitchen, and a movement and fitness on-demand studio. Outdoor amenities include a resort-style pool, event lawns, multi-use turf court and basketball court, kid's outdoor playscape, patio seating, and access to community pathways and trails.

"Northpointe offers residents a truly special desert living experience. Being nestled between the Twin Buttes and White Peak mountains, residents of Northpointe are surrounded by one-of-a-kind views unlike anything else offered in the Valley," said Mark Hammons, vice president/general manager of Vistancia.

"This is a proud moment for Vistancia, and one we have been looking forward to for many years. Our finale community was thoughtfully crafted to embrace the beauty and tranquility of the surrounding mountains, offering residents the best of Arizona's desert living and a heightened community experience." Hammons said.

The award-winning Vistancia community is located in Peoria and set amongst a stunning backdrop of Sonoran Desert mountain ranges featuring dramatic views of White Peak and Twin

David Weekley Homes, Pulte Homes, Richmond American Homes

Set amongst the natural Sonoran Desert foothills, the North Peoria Vistancia community, which opened in 2004, has earned a beloved reputation as one of the best master planned communities in the Valley. With its signature panoramic mountain backdrop of the White Peak and Twin Buttes mountains, the community has sold more than 7,000 homes among its three unique lifestyle communities. The Village at Vistancia, a family-friendly multi-generational community; Blackstone at Vistancia, a gated luxury golf course community featuring the private Blackstone Country Club; and Trilogy at Vistancia, an active adult resort community featuring a daily fee golf course.

In early 2021, Vistancia will open its fourth and final lifestyle community, the 3,450-acre Northpointe at Vistancia, featuring some of the most elevated and picturesque views in the Valley. Poised at the highest elevation within the master plan and surrounded by the community's flagship White Peak and Twin Buttes mountain preserves, the Northpointe at Vistancia community will include approximately 3,200 homes upon completion.

With a keen focus on capturing the essence of elevated desert living at its finest, Northpointe at Vistancia selected a prestigious group of builders for its first phase of 437 homesites. Award-winning builders David Weekley Homes, Richmond American Homes, and Pulte Homes join to launch the first phase of the finale community within the master plan. Homes are anticipated to start in the low \$400's ranging in size from 1,790 to 3,297 square feet.
